200 GENERAL ADMINISTRATION

Objectives

1. To comply with and implement the provisions of the County Forestry Ordinance.
2. To administer and manage the County Forest in accordance with s. 28.11, Wis. Stats.
3. To cooperate with the Department of Natural Resources and other agencies and organizations in the interest of furthering the optimum management of the forest on a sustainable basis.
4. To provide adequate financial support for the program by using county designated revenues and appropriations, along with funds available from federal and state sources.
5. To maintain an adequate system of accounts, records and reports for the orderly administration of the forest and evaluation of program needs and implementation.
6. To facilitate the administration of the forest by authorizing personnel, equipment and facilities necessary to assist the Committee and the administrator in carrying out their duties.

205 ROLES

Price County operates under the administrative structure of a county administrator per Wisconsin State Statutes.

The County and the Department have a mutual interest in administration of the County Forest. It shall be the policy of the County Board through the Forest and Parks Committee to cooperate with county and Department personnel in carrying out the program on the county forest. The County/Department roles are further defined in the Public Forest Lands Handbook, 2460.5.

205.1 COUNTY BOARD OF SUPERVISORS

Powers of the Price County Board, relative to the management of county forest lands are

defined in s.28.11(3) and additional authority may include:

- Annual Budget and Work Plan
- Grants/Loans
- Land acquisitions

205.1.1 Forestry and Parks Committee

The Board of Supervisors assigns the administration of the County Forest to the Forestry and Parks Committee as detailed below.

1. Preparation of an annual work plan and budget for the ensuing calendar year to be presented for the Board's approval.
2. Establishment and maintenance of the facilities necessary to conduct forest operations.
3. Negotiations for and acquisition of lands necessary to further the objectives of the county forest.
4. Review and approval of all proposed recreation projects on the county forest lands.
5. Cooperation with the Department of Natural Resources on all matters pertaining to natural resource management on the county forest.
6. Participation in all other activities involved in the execution and administration of forestry operations in the county forest program.
7. Employ personnel to administer and implement the county forest program.
8. Hold committee meetings as necessary to carry out the above duties.

205.1.2 Forest and Parks Administrator

1. The Forest and Parks Administrator will act as the agent of the committee and will carry out its orders, as well as execute assignments outlined in the comprehensive plan, and an annual plan, all within the framework outlined in s. 28.11, Wis. Stats.
2. The Forest and Parks Administrator will prepare an agenda for and will be present at all Forest and Parks Committee meetings.
3. The Forest and Parks Administrator will serve as the Director of the Forestry

Department in coordinating the programs of work of staff members and other matters as directed by the Committee.

4. The Forest and parks Administrator will supervise the timber sale program, tree planting, site preparation, timber stand improvement, road and firebreak construction and maintenance, land acquisition, entry and withdrawal of county forest lands, trespass investigations, and long- and short-term planning, all within the restrictions of s. 28.11 Wis. Stats.

205.2 DEPARTMENT OF NATURAL RESOURCES

The role of the Department in the County Forest program is to:

1. Encourage technically sound management of the County Forest resources.
2. Protect the public rights, benefits and investments in County Forest lands.
3. Administer state compensation to the county for the public rights, benefits and privileges the county forest lands provide as required by s. 28.11- (8) Wis. Stats.
4. Provide County Forest assistance consistent with those identified per the Public Forest Lands Handbook.

205.2.1 Division of Forestry

It is the function of this Division to:

1. Certify and make forest aid payments (variable acreage and project loans) to the county and audit county expenditures of the forestry fund account pursuant to s. 28.11(8)(b), Wis. Stats.
2. Certify and make acreage payments to towns pursuant to s. 28.11(8)(a), Wis. Stats.
3. Maintain and certify County Forest acreage by township, and audit distribution of severance share payments (s. 28.11(9) Wis. Stats.) made annually by the counties.
4. Collect severance share payments of not less than twenty percent of actual stumpage sales value on timber cut from the County Forest pursuant to s. 28.11(9)(a), Wis. Stats.

5. Administer various aids and grants pertaining, but not limited to, the County Forest program.
6. Assist with development and implementation of the County Forest Comprehensive Land Use Plan.
7. Interpret and administer the laws and regulations set forth by the Legislature and the Natural Resources Board.
8. Review and approve or deny applications for withdrawal and entry of lands into the County Forest Law program.
9. 3-year Audit Programmatic and Financials

205.2.2 Local Office

Field representatives of the Department are available to provide technical advice and assistance to the county in natural resources management. This assistance includes, but is not limited to the following:

205.2.2.1 Forest Management

The forester designated by the Department to serve as liaison to the Committee will provide technical assistance in managing the resources of the county forest. The forester's duties include the following, but not limited to:

1. Attend all Committee meetings and any county board meetings as requested.
2. Assist in establishing, inspecting, and administering timber sales in cooperation with county forest personnel.
3. Process timber sale approvals, cutting notices and reports.
4. Maintain for the Department a record of forest management accomplishments, forms and maps.
5. Assist in preparation of projects, plans and estimates.
6. *Provide assistance to the Committee in the preparation of the annual budget, annual work plan and the County Forest Comprehensive Land Use Plan. (Individual Counties evaluate this one)*
7. Assist in County Forest timber theft and larceny investigations.
8. Organize and prepare minutes of annual partnership meeting as required in

the [Public Forest Lands Handbook](#).

205.2.2.2 Other DNR Program Functions

1. Fire Management - Maintain a system of communications, equipment, and trained personnel to prevent and suppress forest fires, assist with prescribed burns: and enforce forest fire related laws.
2. Forest Pest Control - Provide technical services for prevention, detection and suppression of forest pests in the district.
3. Wildlife Management - Conduct surveys of wildlife populations, habitat, and public use. Wildlife personnel use this information when providing technical assistance on long term ecosystem planning as well as wildlife habitat management, habitat improvement and wildlife health. Attend committee meetings as requested.
4. Fisheries Management - Maintain the quality of the fishery resource in the waters of the Forest to produce a balanced return to the angler, consistent with sound management principles.
5. Law Enforcement - Enforce state natural resource laws and regulations and assist in the enforcement of county and federal natural resource laws and ordinances.
6. Environmental Protection - Enforce and provide technical assistance in matters related to water and shore land management, pollution detection and waste disposal.
7. Endangered Resources - Provide technical expertise on rare, threatened or endangered species and natural community surveys, identification and management. Assist other DNR functions and the county in identifying local and landscape level issues.

210 COOPERATION

To meet the obligation of the county to the public in accordance with s.28.11, it is in the best interest of Price County to cooperate with public agencies, non-profit organizations, tribal nations, and others.

215 FINANCIAL SUPPORT

An annual budget shall be prepared by the Committee. This budget shall contain county, state, private, non-profit and federal funds needed to carry out the forestry, park and recreation program on the forest.

215.1 REVENUE FROM OPERATIONS

The following procedure will apply in crediting income from the forest:

215.1.1 Timber Sale Revenue

All revenue received from the sale of timber stumpage or cut forest products shall be deposited in the Price County general fund. All severance taxes incurred as result of such sales shall be segregated into a separate account from timber sales income and paid as required by statute.

215.1.2 Parks and Recreation Revenue

All revenue including, but not limited to, camping fees, rental fees, day use and trail use fees shall be deposited in the 100-79-46720-000/Park Fees fund.
