Building Inspections

Town of Catawba Property  
Owners & Residents

**Building Permits and Inspections**

Zoning for the Town of Catawba is administered locally. Your town officials want to work with you. Permits are needed for building houses, additions, accessory structures, driveways, mobile homes, etc. Some permits are free, others have a nominal fee. Before any type of construction is started please contact us for correct information and permits. Building inspection applications are required for new dwellings before excavation.

**For new homes contact**

Troy Kadlecek, UDC Inspector at (715) 820-0415

For all other inspections contact  
one of the following:
