Re: Price County Highway Department Fee Schedule

The Price County Highway Department has reviewed and adopted an updated fee schedule for the Departments' various permit applications and approved permit. The attached fee schedule will be in effect on January 1, 2022.

Please remember to thoroughly read and understand the Price County Utility Accommodation Policy, Price County Work Zone Policy, 2021 Wisconsin Work Zone Field Manual, and Manual on Uniform Traffic Control Devices. This will minimize any misunderstandings as it relates to the expectations of the company and contractors working within Price County's Right-Of-Ways.

If you have any questions regarding the applications or payment process, please call the office staff at 715-339-3081 ext. 1 or 6.

If you have questions or concerns regarding the fee schedule itself, please contact Joe Baratka, Price County Highway Commissioner, at 715-339-3081 ext. 2.

Thank You,
